AT LAST

OUR EXPANSION

HAS BEEN COMPLETED!

Bank of America's Torrance Branch has been expanded to make banking here even faster, easier and more pleasant. Much of the expansion has been "backstage"—a new supply room, a storage vault and more work space for our staff. *But we have also added extra convenience for our customers—an additional merchant window, another night depository, one more escrow booth and three more windows in our Commercial and Note Department.*

Top it all off with a fresh coat of paint inside and out, and you have a more attractive (and more efficient) place to do all your banking.

We hope our expansion has not inconvenienced you during your visits to the bank. Thanks for bearing with us through the clatter and confusion.
